To Whom It May Concern,

I am pleased to recommend Blaise Badynee to any job she is applying for. I know Blaise to be a competent, passionate, and energetic teacher. She is innovative and creative while continuously seeking to improve her craft.

Blaise is employed by Daycroft School in Ann Arbor, Michigan. She has held the position of instructor of Spanish and Linguistics at Daycroft for the past four years. Daycroft is an accredited independent school serving toddler through 8th grade students throughout Washtenaw County. It is licensed to operate through the Michigan Department of Education and is accredited through the Independent School of the Central States. Its memberships include the Association of Independent Michigan Schools and the National Association of Independent Schools.

In the two years that I have been her supervisor, I have known Blaise to be an exceptional and dedicated professional. She is eager to take on new tasks and explores new ways to improve and innovate the art of teaching. Her energy and enthusiasm for teaching are contagious. Her commitment to students and their success is evident as she works with students at all instructional levels.

I am confident that Blaise will be an excellent addition to your team, and she enjoys my full endorsement for this position.

Warm regards,

Edward B. Hollinger
