To Whom It May Concern,

Blaise Badynee contacted me requesting a letter of recommendation, which I am delighted to prepare. I have had the pleasure of interacting with Blaise as a dance instructor for Vision Studio, of which I am the owner. Blaise put her utmost energy into every class she taught and the students adored her. She is one of those people that will assume complete ownership of her position. She doesn't shy away from a challenge and can always be counted on to go the extra mile.

Blaise is what I call a "quick study." You need only show her the basics of any role and she will take care of the rest. She is a team player and recognizes where leadership is needed- and will assume that role. While a strong and independent person, Blaise is also respectful, patient, and kind.

Blaise is dearly missed at Vision Studio and will be a tremendous asset to your district. If you have any questions, please don't hesitate to call. I would be happy to elaborate on Blaise's contributions at Vision Studio.

Sincerely,  
Amy Perschbacher
